NOTICE (03/31/2011) -- Funding reductions result in loss of many groundwater sites. --Data collection at the following groundwater monitoring wells has been discontinued as of March 22, 2011, due to funding reductions from partner agencies. Although historic data will remain accessible, no new data will be collected unless one or more new funding partners are found.

Users who are willing to contribute funding to continue operation of these streamgages should contact Rob Breault or Ward Freeman of the USGS New York Water Science Center at (518-285-5658 or dc_ny@usgs.gov).
This table is also available as a PDF for printing.
