## MEMORANDUM

Date: December 14, 1999

To: District Chief  
Troy, NY

From: Andy Cohen, WRD Albany, NY

Subject: PUBLICATIONS: "Mean Annual Runoff, Precipitation, and Evapotranspiration in the Glaciated Northeastern United States, 1951-80," by Allen D. Randall (USGS OFR 96-395)

The subject Arc-Info Coverages are submitted for District Chief approval to publish in the USGS Spatial Data Clearinghouse. The coverages include all data and metadata shown in the report on plates 1 and 2. PDF versions of these "electronic-only" released plates are available on the Districts home-page at: <http://ny.usgs.gov/projects/misc/OF96-395.html>

The Arc-Info coverages and metadata have had technical reviews by George Casey (WRD, Hartford, CT) and Doug Freehafer (WRD, Troy, NY).
