

United States Geological Survey  
**Water Science Symposium**

Hosted by the  
Department of Geology  
Hofstra University

**Wednesday, May 2, 2012**  
**9:00 AM to 3:30 PM**

U. S. GEOLOGICAL SURVEY  
NEW YORK WATER SCIENCE CENTER

**Leo A. Guthart Cultural Center Theater**  
(Located in the Hofstra University Axinn Library Building)

**Directions to the Hofstra Campus:**

[http://www.hofstra.edu/visitors/visitors\\_info\\_dirmaps.html](http://www.hofstra.edu/visitors/visitors_info_dirmaps.html)

**Parking:**

Enter north campus at the main gate (California Avenue Gate - across Hempstead Turnpike from Dunkin Donuts). Proceed north to first intersection – park in any unrestricted student parking area. There is no charge or permit required to park on North Campus in any student parking lot. Walk to the Student Center.

**Finding the Leo A. Guthart Cultural Center Theater:**

Enter the Student Center and walk directly across the lobby to the Unispan (enclosed walkway over Hempstead Turnpike). At the far end of the Unispan on the left across from the entrance to the Axinn Library is the entrance to the Cultural Center Theater.
